Abiding Savior Lutheran Church and School Building Christ-Centered Leaders

Welcome!

I'm delighted that you are considering *Abiding Savior Lutheran School* as a possible educational choice for your international student. While selecting the correct school “fit” for a student should be a high priority for any parent or guardian, this decision is even more important for the parents or guardians of an international student. Success in school is a good indicator of success within the greater American society.

What makes *Abiding Savior Lutheran School* different from other private schools? We are a small, personal, Christ-centered educational experience that stresses academic excellence and traditional Christian values. Fully accredited by the Western Association of Schools and Colleges (“WASC”), *Abiding Savior Lutheran School* is recognized for its outstanding academic program of study, the success of its graduates in local secondary schools, and the contributions its graduates have made across the globe. We welcome a limited number of international students into our student body as an opportunity to mutually learn about our cultures and to witness our Christian faith.

Abiding Savior Lutheran School is eligible to enroll international students (I-20) with the proper student visas in place. A packet with specific requirements, as well as our fee schedule and list of additional expenses, is included on this packet. International students are required to take an English proficiency test upon enrollment and will participate in an ELL (English Language Learner) class unless adequate proficiency is demonstrated. A face-to-face interview (in person or via Skype) is a required part of the application process. Please also note that international students must enroll for at least one year. We cannot accept students visiting for only a short time, such as during the Lunar New Year January/February winter break.

Is *Abiding Savior Lutheran School* the proper “fit” for your international student? The best way to find out is to visit our campus, talk with our teachers and our students, and see what makes us different from other schools. I invite you to do so. I know that you will be as enthusiastic about *Abiding Savior Lutheran School* as I am!

Sincerely,

A handwritten signature in cursive script that reads "Donna Lucas".

Mrs. Donna Lucas, M.Ed.

International Student Application ADMISSIONS PROCESS & CHECKLIST

The *Abiding Savior Lutheran School* Admissions Committee reviews each admission application holistically, taking into account the unique gifts and talents of each student. Applications should follow these step-by-step procedures in a timely manner in order to be considered for admission to ASLS.

Step 1. Apply

Complete and submit ASLS online International Application Packet for admission consideration from the website. A list of all required documents is provided in the checklist to the right.

The completed application can be mailed or brought to ASLS Office. Emailed copies are preferred; however, all original documents (F1 Visa, Medical records, etc.) must be received prior to the first day of school for successful applicants.

Step 2. Application Review & Interview

Upon receipt of all documents, student applications are reviewed individually by the Admissions Committee. An in person or Skype video interview will be scheduled in a timely manner for those who qualify. We may deny any application that does not meet the criteria for acceptance before an interview.

Step 3. Notification of Admission Decision

If accepted, ASLS will send a letter of acceptance via email. The International Student fee and the registration fee are due at this point.

All application documents must be complete and submitted, along With the \$750 application fee and \$650 registration fee, in order for the Registration process to begin.

If an applicant is denied, a letter of denial will be sent via email.

Step 4. Registration and Enrollment

Upon receipt of an applicant's registration fees (see above), an I-20 Will be issued. New International students should immediately make an appointment with the US Embassy or Consulate for their F-1 Visa interview. Once the Consulate interview is successfully completed the full annual tuition is due. This should take place prior to May 2021.
