

## Request for Online Instructions\*

*During this time of COVID-19, our teachers continue to do both in-person and remote instruction. This is not an easy undertaking. We know that situations are changing from day to day as we deal with this pandemic. We ask that you take seriously any decisions you make in regards to changes in your remote or in-person status. When a change is made we will need you to complete this form and return it to the school office electronically or in-person at least 24 hours prior to switching modalities. We also ask that you stay with your request for a minimum of two weeks.*

*Please abide by all remote learning protocols and be diligent in attending all classes as if you were actually in school.*
