

**ALL 6TH GRADERS AND NEW 7TH AND 8TH GRADERS
WILL NEED A CHROMEBOOK FOR THE 2022-2023 SCHOOL YEAR!**

Here are the important bullet points for purchasing the Chromebook your child will need for our 1:1 Chromebook program. If your child already has a Chromebook and meets the specifications listed below a new one will not need to be purchased.

- Must be a Chromebook
- Minimum requirements for a new Chromebook:
 - Touchscreen
 - Google Play Store enabled
 - Convertible/2-in-1*
 - Stylus (some Chromebooks include one)
- At least 32GB storage
- May be refurbished
- Must have ear buds/headphones
- You can find deals through Amazon; Target and Best Buy will sometimes have open box sales
- Apps (available as either a Chrome Extension or Google Play App) will be needed throughout the year, which your child's teacher will inform them of in advance
- Students will be given clear rules on appropriate use during school hours. The Chromebook is an educational tool, not to be used for gaming, chatting or texting

A Student Chromebook Use Agreement form must be signed by the student and parent/guardian before the student is allowed to use the Chromebook at school.

*A convertible /2-in-1 is a Chromebook that can fold the screen back 360 against the bottom to resemble a tablet.
