

Admission Policies & Procedures Transitional Kindergarten – 8th Grade 2023-2024

GRADES: TK & KINDERGARTEN

Transitional Kindergarten

Children enrolling in Transitional Kindergarten must be 5 years old on or before December 31 of the current school year. They generally are not quite developmentally ready for a full Kindergarten curriculum but desire a more advanced program than regular Preschool. Eligibility for entrance is determined by the principal based on input from parents, early childhood teachers, and the results of appropriate assessments. Children who have attended Transitional Kindergarten should expect to attend regular Kindergarten the following year.

Kindergarten

The child shall be five years of age on or before September 1 of the current school year.

- Online application must be completed and signed by the parent or guardian. Applicable registration fees must be included as a ***non-refundable deposit*** unless admittance is denied by Abiding Savior Lutheran School.
- An interview will be conducted with the principal, parents, and child.
- Abiding Savior will complete the Chancy and Bruce placement screening assessment test for enrollment into Kindergarten. The cost is \$50 and is made payable to Abiding Savior.

Upon acceptance of the child for enrollment:

- The parents must show the school a valid birth certificate to verify the birth date.
- The parents must present proof of state-required inoculations.
- The child must receive a physical examination and have all required state tests and immunizations before entering Kindergarten. Information about state aid for these physicals for lower-income families will be provided with the form.

GRADES: 1 THROUGH 8

- A child entering first grade must be 6 on or before September 1 of the current school year.
- Online application must be completed and signed by the parent or guardian.
- Applicable registration fees must be included as a ***non-refundable deposit*** unless admittance is denied by Abiding Savior Lutheran School.
